No. 50] NEW DELHI, THURSDAY, MARCH 21, 1963/PHALGUNA 30, 1884

DELIMITATION COMMISSION

ORDER NO. 1

S.O. 874.—In pursuance of clause (a) of section 8 of the Delimitation Commission Act, 1962, we hereby determine, on the basis of the latest census figures and having regard to the provisions of articles 81 and 330 of the Constitution, the number of seats in the House of the People to be allocated to each State (other than the State of Jammu and Kashmir and the State of Nagaland) and the number of seats, if any, to be reserved for the scheduled castes and for the scheduled tribes of the State.

The present allocation of seats among these 14 States, as provided in the First Schedule to the Representation of the People Act, 1950, is as follows:—

1. Andhra Pradesh	43
2. Assam	12
3. Bihar	53
4. Gujarat	22
5. Kerala	18
6. Madhya Pradesh	36
7. Madras	41
8. Maharashtra	44
9. Mysore	26
10. Orissa	20
11. Punjab	22
12. Rajasthan	22
13. Uttar Pradesh	86
14. West Bengal	36
TOTAL	481

In addition, the State of Jammu and Kashmir is allotted six seats, the Naga Hills-Tuensang Area one seat, the North East Frontier Tract one seat and the several Union territories 18 seats in all, making up a total of 507.

Clause (1) of article 81 of the Constitution fixes the maximum limit of 500 for the number of members to be chosen by direct election from territorial constituencies in all the States, including Jammu and Kashmir and also Nagaland when that State is formed. Accordingly, the maximum number of elective seats available for allocation among the fourteen States is 493. After taking various circumstances into consideration, we have come to the conclusion that it would be desirable and proper to increase the total number of seats from the present number of 481 to 490. The total population of these States has increased very considerably during the last ten years with the result that the average population per parliamentary constituency has increased from 732,654 in 1951 to 889,257 in

1961. Further, the increase is far from being uniform for all the States. Consequently, if the present total of 481 seats were retained and distributed among the fourteen States according to their population as ascertained at the last decennial census, three of the larger States, namely Uttar Pradesh, Andhra Pradesh and Madras lose as many as three seats each in the House of the People and Bihar also loses one seat. While this result cannot be completely avoided, it is to a certain extent mitigated by increasing the total number to 490. Uttar Pradesh then loses only one seat, Bihar does not lose any and Andhra Pradesh and Madras lose only two seats each. We notice that even if the total number were increased right upto the maximum permissible, namely 493, the position so far as Uttar Pradesh, Andhra Pradesh and Madras are concerned would remain the same and the three additional seats would go to States which had not lost any seat. We therefore determine that the total number of seats in the House of the People to be allocated among these fourteen States should be increased from 481 to 490 only.

As regards the distribution of the seats among the States, the guiding principle is laid down in article 81(2)(a) as follows:—

"(a) there shall be allotted to each State a number of seats in the House of the People in such manner that the ratio between that number and the population of the States is, so far as practicable, the same for all States".

The total population of the fourteen States according to the 1961 census is 427,732,685, which divided by 490 gives an average of 872,924 per seat. The population of each State is divided by this number to arrive at the number of seats to be allotted to that State. The calculations are given in the following table:—

Name of State	Population (1961)	Number of seats to be allotted
1. Uttar Pradesh	73,746,401	84·48= 85
2. Bihar	46,455,610	53·22= 53
3. Maharashtra	39,553,718	45·31= 45
4. Andhra Pradesh	35,983,447	41·22= 41
5. West Bengal	34,926,279	40·01= 40
6. Madras	33,686,953	38·59= 39
7. Madhya Pradesh	32,372,408	37·09= 37
8. Mysore	23,586,772	27·02= 27
9. Gujarat	20,633,350	23·63= 24
10. Punjab	20,306,812	23·26= 23
11. Rajasthan	20,155,602	23·09= 23
12. Orissa	17,548,846	20·10= 20
13. Kerala	16,903,715	19·36= 19
14. Assam	11,872,772	13·60= 14
TOTAL	427,732,685	489·98=490

The figures in the third column have been calculated to the second decimal place and then rounded off to the nearest integer, except in the case of Uttar Pradesh where 84.48 has been rounded off to 85 in order to bring up the total to 490. This State having the largest fraction less than one-half gets the benefit.

Having determined the number of seats to be allotted to each State in the House of the People, we next determine the number of seats to be reserved for the Scheduled Castes and for the Scheduled Tribes in accordance with article 330 of the Constitution which reads as follows:—

"330. (1) Seats shall be reserved in the House of the People for—

(a) the Scheduled Castes;

(b) the Scheduled Tribes except the Scheduled Tribes in the tribal areas of Assam; and

(c) the Scheduled Tribes in the autonomous districts of Assam.

(2) The number of seats reserved in any State or Union territory for the Scheduled Castes or the Scheduled Tribes under clause (1) shall bear, as nearly as may be, the same proportion to the total number of seats allotted to that State or Union territory in the House of the People as the population of the Scheduled Castes in the State or Union territory or of the Scheduled Tribes in the State or Union territory or part of the State or Union territory, as the case may be, in respect of which seats are so reserved, bears to the total population of the State or Union territory."

The relevant population figures as ascertained at the last census are given in the table below:—

DELIMITATION COMMISSION

NOTIFICATION

New Delhi, the 24th August 1963

S.O. 2443.—In pursuance of sub-section (1) of section 10 of the Delimitation Commission Act, 1962, an Order made by the Delimitation Commission in respect of the determination of numbers under clause (b) of section 8 of the said Act is hereby published:

Order No. 2

In pursuance of clause (b) of section 8 of the Delimitation Commission Act, 1962, we hereby determine, on the basis of the latest census figures and having regard to the provisions of articles 170 and 332 of the Constitution, the number of seats to be assigned in the Legislative Assembly of each State and the number of seats, if any, to be reserved for the scheduled castes and for the scheduled tribes of the State.

Clause (1) of article 170 of the Constitution fixes the maximum limit of 500 and the minimum limit of 60 for the number of members to be chosen by direct election from territorial constituencies in a State. Section 8 of the Delimitation Commission Act imposes another condition which is that the total number of seats assigned to the Legislative Assembly of a State shall be an integral multiple of the number of seats in the House of the People allocated to that State.

We have by our Order No. 1 determined the number of seats to be allotted in the House of the People to each of the States. If the existing integral multiples are retained, the total number of seats to be assigned to the several Legislative Assemblies, will be as shown in the following table in which the States are listed in descending order of population.

TABLE

Name of State	No. of seats in the House of the people	Multiple	No. of seats in the Legislative Assembly
1. Uttar Pradesh	85	5	425
2. Bihar	53	6	318
3. Maharashtra	45	6	270
4. Andhra Pradesh	41	7	287
5. West Bengal	40	7	280
6. Madras	39	5	195
7. Madhya Pradesh	37	8	296
8. Mysore	27	8	216
9. Gujarat	24	7	168
10. Punjab	23	7	161
11. Rajasthan	23	8	184
12. Orissa	20	7	140
13. Kerala	19	7	133
14. Assam	14	9	126

We notice that while, broadly speaking, the multiple increases as the population of the State decreases, this principle has not been uniformly followed. We have considered the desirability of changing the multiple in the case of some of the States but finally come to the conclusion that it is preferable to retain the existing multiple in all States except Madras. The Legislative Assembly of this State has at present 206 elective seats. Considering that its quota in the House of the People will for the future be reduced by two we think it proper to raise its multiple from 5 to 6 and to assign 234 seats to its Legislative Assembly. The total number of seats to be assigned to the Legislative Assembly of each of the other States will be as shown in the above table.

Next, as regards the number of seats to be reserved in each Legislative Assembly for the scheduled castes and for the scheduled tribes of the State, we have to bear in mind the provisions of article 332 of the Constitution which read as follows :—

"(1) Seats shall be reserved for the Scheduled Castes and the Scheduled Tribes, except the Scheduled Tribes in the tribal areas of Assam, in the Legislative Assembly of every State.

(2) Seats shall be reserved also for the autonomous districts in the Legislative Assembly of the State of Assam.

(3) The number of seats reserved for the Scheduled Castes or the Scheduled Tribes in the Legislative Assembly of

any State under clause (1) shall bear, as nearly as may be, the same proportion to the total number of seats in the Assembly as the population of the Scheduled Castes in the State or of the Scheduled Tribes in the State or part of the State, as the case may be, in respect of which seats are so reserved, bears to the total population of the State.

(4) The number of seats reserved for an autonomous district in the Legislative Assembly of the State of Assam shall bear to the total number of seats in that Assembly a proportion not less than the population of the district bears to the total population of the State.

(5) The constituencies for the seats reserved for any autonomous district of Assam shall not comprise any area outside that district except in the case of the constituency comprising the cantonment and municipality of Shillong.

(6) No person who is not a member of a Scheduled Tribe of any autonomous district of the State of Assam shall be eligible for election to the Legislative Assembly of the State from any constituency of that district except from the constituency comprising the cantonment and municipality of Shillong."

The relevant population figures as ascertained at the last census are given in the table below :—
